FINISH LINE SPORTS GRILL HISTORY

Fairplex is no stranger to professional sports or finish lines. Since its inception in 1922, Fairplex Park has been inviting newcomers and seasoned race fans alike to enjoy the exciting "Sport of Kings" in an intimate, family-friendly setting. History was made in 1933 when Fairplex Park became the first Southern California track to open its betting windows, shortly after pari-mutuel wagering was legalized in the state.

Fairplex made history once again as the birthplace of professional drag racing in the 1950's. Today we proudly host the National Hot Rod Association's annual season-opening event and finals.

Finish Line Sports Grill is a salute to sports and offers you a unique opportunity to be part of the horse racing action.
