

Through the Big Yellow Bus Partnership Program, you can give the precious gift of interactive fun and hands-on learning to students in your local community.

Each year, The Learning Centers at Fairplex provide unique educational experiences to more than 100,000 students, teachers and chaperones through the FairKids Discovery Club Field Trips at the L.A. County Fair.

Aligned with standards from the California State Department of Education, these fun learning experiences at "The World's Largest Classroom®" are offered at no charge to the schools or families.

In response to the pressing need for schools to fund field trip transportation, the Big Yellow Bus Program provides access for students and educators that would not have this experience otherwise.

**FairKids can...**

- Milk a goat and meet a multitude of other live animals up close and personal at FairView Farms
- Learn how to weave, spin your own wool, pan for gold, quilt and watch history come alive at California's Heritage Square
- Meet a real paleontologist and dig for fossils at Jurassic Planet
- Make original creations and experience live artist demonstrations at Millard Sheets Center for the Arts
- Experience medieval times complete with castles, dragons and juggling in America's Kids
- Experience educational exhibits at the historic trains, Mojo's Jungle, Fairplex Garden Railroad, Bark Park, Esmeralda's Traveling Circus, Celebrate Mexico and the NHRA Museum
